## **13. Introduction of Paid Services**

**13.1.** Addr.Bio currently accepts supporter donations by way of allowing users to pay the amount they think Addr.bio is worth to them with a view to help support the individual behind this website with the running costs. Advertisements are not displayed to supporters on the basis that we no longer need to generate revenue from their use as the amount they've donated/supported likely surpasses the amount of money we would generate from displaying advertisements to them.

**14.1. Third-Party Relationships:** You understand that we have no control over third-party websites or services and assume no responsibility for their content or privacy policies. Addr.bio and its owners/operators shall not be responsible or liable for any damage or loss caused by or in connection with the use of such content or services.

## **17. Updates to Legal Documents**

## **18. Website Development and Security**

**18.1. Website Development:** Addr.bio runs on a PHP script provided by Altum Code. It's important to note that Addr.bio and the individuals associated with the site did not develop most of the website. While we've made every effort to ensure the site is secure, we have not completed a full code inspection.
